Superior Quality

All stainless steel is not the same. CDN products are made of a premium grade stainless steel, which is superior to the stainless used in many other products. CDN bimetal thermometer stems are welded to a calibration nut. Less expensive thermometers are only pressed together. The dimple in the stem of our bimetal thermometers indicates the place where the temperature coil is welded to a special bushing and where you will get the most accurate reading. This extra measure provides an additional degree of stability and accuracy, and is unique to CDN. National Sanitation Foundation is an approval agency that certifies that thermometers bearing the NSF® mark are manufactured to high commercial standards. Because of higher listing costs, only a select number of our products carry the NSF® mark. However, all our thermometers and scales are manufactured to NSF® standards in an NSF® Certified facility. We use an incoming inspection program based on military QC standard MILQ9858.

BioCote®

Antimicrobial properties are built-in to inhibit the growth of bacteria that may affect this product. According to EPA guidelines we cannot claim that the antimicrobial properties in this product protect users or others against bacteria, viruses, germs, or other disease organisms. This product does not protect users or others against food-borne bacteria. Always clean and wash this product thoroughly before and after each use.

Batteries included with all electronic products.

Terms & Conditions

Terms – Net 30 days on approved credit. Minimum purchase is $100.00. Orders under $100.00 are subject to a $10.00 service charge.

Prices – Prices effective Janyary 1, 2024. Subject to change without notice. For orders outside the USA, home currency conversion occurs using the interbank exchange rate on the ship date of your order.

Freight – Prepaid freight on net orders over $500 shipped to one location in the continental USA. Orders are FOB Warehouse depending on the order destination. Prepaid freight will be shipped at ground rate. Air shipments will be billed at difference between air and surface rates.

Handling – $4.00 handling charge will be applied per purchase order, unless it meets the prepaid freight minimum.

Return Goods – Return Authorization is required to return any merchandise. Please call for a RA Number. Overstock and rotations are not valid reasons for returns. All returns may be subject to a 10% handling and restocking charge. All ticketing/stickering must be removed. Product and packaging must be in saleable condition. Use adequate packing when shipping returns to avoid damage.

Credit for Returns – DO NOT DEDUCT FROM INVOICE PAYMENT UNTIL CREDIT MEMO IS ISSUED.
