

HEAVY DUTY THIN TIP THERMOMETER

The CDN Heavy Duty Thin Tip Thermometer (Q2-450X) is the go-to thermometer for thin cuts of meat, delicate fish, compressed hamburger patties, or bite-sized fare.

With an ever-growing concern about bacterial cross contamination, CDN has answered the call with the addition of BioCote® antimicrobial coating to its ProAccurate® line, including this thermometer.

Offering the advantage of easy one-button field recalibration, this NSF® Certified digital pocket thermometer has become the industry's standard. The CDN Heavy Duty Thin Tip Thermometer provides all the features commercial kitchens require.

FEATURES

- NSF® Certified
- 6-second response
- Waterproof (IPX6)
- One-button field calibration
- 1.5 mm thin tip
- Hold & max
- BioCote® antimicrobial
