

NSF[®] DIGITAL GLASS SCALE

The newest member of the *Glass Scales* series, the CDN NSF[®] Digital Glass Scale (SD1502) was designed for simplicity and style in demanding kitchens. It now comes with a rechargeable battery. This NSF[®] Certified ultra-thin scale features an easy-to-read LCD display with selectable units, tare and hold functionality, and battery status indication. With an attractive tempered glass top in solid silver or black, it is easy to use and easy to clean.
